TASTING

Open nose with notes of spices, brioche, gougère, butter and gingerbread, white pepper, candied citrus and white-fleshed fruits with hints of toasted, crispy bread.

Creamy on the palate; with a surprising roundness, this cuvee develops increasing tension on the palate with a long finish and pink grapefruit flavor.

Light salty, iodine flavours, complex thanks to their perfect balance with sweetness. This cuvee is quite unusual!

FOOD AND WINE PAIRINGS

Aperitif.

Roast guinea fowl.

Ravioli or fresh pasta with cream sauce.
